CWA Local 6171 – Valor Uniti Group Bargaining Committee Report

We are pleased to announce that we have successfully reached a tentative agreement for a new three-year contract extension with Uniti for the Valor bargaining unit.

To discuss the details of this proposal, we will hold a contract explanation meeting this Wednesday September 2 at 8:00 p.m.; the Local will be distributing the specific Zoom meeting login information shortly.

We would like to extend our sincere gratitude to everyone involved in securing this TA, ranging from the dedicated Local Bargaining Committee and Local officers to our partners in the Research Department at the National level. Furthermore, we owe a special thanks to all the members in the field who supported the committee throughout this process; everyone played a crucial and necessary role in finalizing this agreement. Most importantly, we are proud to share that we successfully secured a 3% general wage increase for each year of the contract with additional on-call and per diem pay while simultaneously maintaining our current health care cost shares and pension benefits.

In solidarity,
Your 2026 Bargaining Team
