CWA Local 6171 – Valor Unit Group Bargaining Committee Report

The bargaining committees did not meet on the record today. Instead, we held multiple sidebar discussions to continue efforts to bridge the gaps regarding various open proposals where both parties remain far apart. These exchanges are an essential part of the bargaining process as we work to understand each other's positions and identify areas where progress may be possible.

The bargaining team is encouraged to see pictures of members wearing their Red shirts in the field. Please continue to share photos with your Local leadership so that we may feature them on the website shortly.

Remember to wear **RED** on Thursdays, Stay United and sign up all non members.

In solidarity,
Your 2026 Bargaining Team
