CWA Local 6171 – Valor Unit Group Bargaining Committee Report

The committees spent the morning engaged in productive sidebar discussions aimed at bridging our current gaps. Following these exchanges, we reconvened on the record twice this evening and achieved significant progress. The company has officially withdrawn several of its most regressive proposals concerning seniority protections, vacation allotments, double-time pay, and recognized holidays. Successfully compelling the company to rescind these regressive measures represents a major victory for our bargaining unit and indicates positive movement in the negotiation process.

The bargaining team is encouraged to see pictures of members wearing their Red shirts in the field. Please continue to share photos with your Local leadership so that we may feature them on the website shortly.

Remember to wear **RED** on Thursdays, Stay United and sign up all non members.

In solidarity,
Your 2026 Bargaining Team
