CWA Local 6171 – Valor Unit Group Bargaining Committee Report

The committees have returned to our normal cadence of meeting twice daily, supplemented by an additional evening session. The morning session focused on the company's health care proposal, resulting in a productive exchange of information that led to the item being tabled pending further clarification. The afternoon and evening sessions proved more constructive, as both parties reached an agreement on multiple proposals, signaling continued progress for both sides toward getting a final agreement.

The bargaining team is encouraged to see pictures of members wearing their Red shirts in the field. Please continue to share photos with your Local leadership so that we may feature them on the website shortly.

Remember to wear **RED** on Thursdays, Stay United and sign up all non members.

In solidarity,
Your 2026 Bargaining Team
